ADVANCED BONE REGENERATION AND IMPLANT TECHNIQUES

Enhance your skills in modern bone regeneration

Join Dr Peter Fairbairn, Dr Robbie Williams & Dr Mark Worthing for a full-day masterclass combining evidence-based learning with practical, hands-on experience using EthOss.

Develop your knowledge and confidence in:

- The EthOss no-membrane approach
- Wet vs. dry mix handling techniques
- Flap design & soft tissue management

Gain practical insights and techniques to take back to your everyday clinical practice.
